

inRESONANCE University Strands

Below are suggested sessions organized by Strand. Feel free to attend the sessions that are appropriate to your interests and needs provided you have the prerequisite skills. This document will help guide you in your choices. Sessions with prerequisite skills are in blue. Refer to the document *Session Descriptions* online at www.inresonance.com/iru/schedule for detailed information on each session.

PORTAL Strands: There are two offerings. If you are new to PORTAL and want to start at the beginning, then follow the *New to PORTAL* strand. If you have some experience but you'd like to better understand how PORTAL manages the admission funnel and reporting as well as increase your ability to create advanced letters or sub-summary reports, follow the *PORTAL Experienced* strand. Be sure to pay attention to prerequisites when choosing sessions from the *Customizing Your Solution* strand. Sessions with prerequisites are in blue.

Session	New to PORTAL	PORTAL Experienced
1	Problem Solving I	Problem Solving I or Problem Solving II
2	PORTAL Topics I	Intro to Layout Mode or BROADCASTER
3	PORTAL Topics II	PORTAL Topics II
4	Intro to Layout Mode or BROADCASTER	Building Lists or Forms to Letters or BROADCASTER
5	PORTAL Topics III	PORTAL Topics III
6	Forms to Letters or Building Lists	Advanced Letters or Intro to Reporting or Automating FMP or Forms to Letters or Building Lists

GENERATIONS Strands: We offer two strands for GENERATIONS users. If you are new to GENERATIONS you will want to follow the sessions for *New to GENERATIONS*. If you have some experience using GENERATIONS, pick and choose what you want to focus on by combining the GENERATIONS sessions that are relevant for you with some of the customizing sessions. Be sure to pay attention to prerequisites when choosing sessions from the *Customizing Your Solution* strand. Sessions with prerequisites are in blue.

Session	New to GENERATIONS	GENERATIONS Experienced
1	Problem Solving I	Problem Solving II
2	GENERATIONS Topics I	Intro to Layout Mode or BROADCASTER
3	GENERATIONS Topics II	GENERATIONS Topics II or Problem Solving II or
